Sustainable Business, Accessible For Everyone.

Synergy created by opening jobs opportunities for working age people in Indonesia to sustain. By 2025, we aim to accelerate our number of workers up to 5000 to support your non-core business

Our workers are insured with minimum wage (UMR) as governed as well as registered for BPJS Kesehatan and BPJS Ketenagakerjaan which are paid timely and smoothly to ensure their wellbeing

Training and certification are mandatory before client's secondment not only to ensure quality third-party workers for our clients but also to equip individuals a lifetime investment in both hard and soft skills to prepare other future opportunities
